HOW CAN SOUTH AFRICA SCALE INNOVATIONS BY TAPPING EXPAT INTELLECT, RESOURCES + CONTACTS ABROAD?

DONOVAN NEALE-MAY

Managing Partner, The SABLE Accelerator CEO of the Business Performance Innovation (BPI) Network Executive Director of the Chief Marketing Officer (CMO) Council

Time To Turn The Brain Drain Into A Brain Gain

South Africa's Global Diaspora

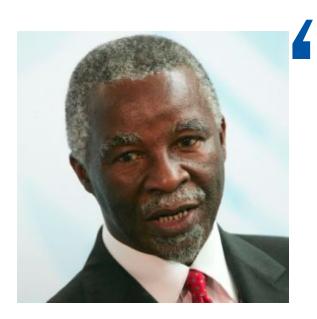

An estimated 1.2 million South African citizens live abroad -- some of the best and the brightest in many fields of endeavor.

Ready. Willing. And Notably Able.

Time to Identify, Engage and Multiply Our Global Asset Base

Many among those who have left the (African) continent are ready and willing either to return, or otherwise to make their skills available to promote development.

> Former South African President Thabo Mbeki

Connecting Innovators To Global Collaborators

It includes excursions to legendary Table Mountain, Cape Point and the Cape Winelands, game viewing at a premier

All of the best from our heart and soil!

game lodge, accommodation, return flights to Dubai/Cape Town, spending money ... and more

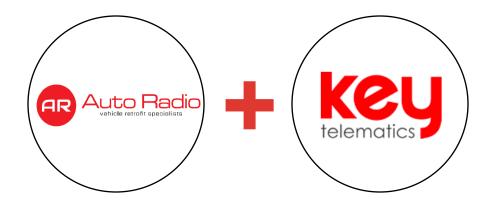

To find out more, visit www.spinneys-dubai.com

Plums are perfect body revitalisers and protectors. Packed with vitamins A, C and E, Potassium and Carotene, they're also rich in anti-oxidant and free radical-neutralising Quercetin, Antho-cyanins and Phenols, which can help reduce ageing and even combat the development of diseases like cancer.

—And when they're Taste South Africa Plums, they come with extra goodness in every blie. Not only do they originate from the world famous stone fruit growing Western Cape region, they're also grown to strictest standards of environmental, ethical cultivation and globally recognised fruit growing science.

Look out for Taste South Africa Plum varieties at Spinneys like: Letitia, Fortune, African Delight and Angeleno. Each has its own unique flavour, bite and character - from heavenly sweet to mildly tangy, from lightly crisp to lusciously julicy.
